Variance Request Form

The Declaration of Protective Covenants, Restrictions, Easements, and Reservations for Columbine Lake Country Club, Inc. state in Article I.B.(5) that, The Board of Directors “may issue a specific use permit in situations where unique and special circumstances such as shape of the lot, topography of the lot, unusual and necessary requirements of the certificate holder, or other circumstances which, in the judgment of the Architectural Control Committee, indicate that the use requested by the certificate holder would not frustrate the requirements of these restrictive covenants, and which, if a specific use permit were not granted, would work an unnecessary and undue hardship upon the certificate holder.” A variance request must be approved by the Board of Directors, and a specific use permit issued in order to deviate in any way from the Protective Covenants. **There is a fee of \$25.00 for variance consideration that must be submitted with this form.**
