Hello CLCC Homeowners,

Here is another update from Grand County Emergency Management.

We have had a tremendous response to the Sheriff's winterization program! Please know that areas within the evacuation zone are still not considered completely safe. Therefore, private citizens will NOT be allowed to enter the evacuation zone to winterize their own properties. Please understand that this is for your safety.

We are Grand! Over 65 contractors and plumbers gathered this morning with Sheriff Schroetlin as he briefed them on the plan to to minimize potential damage to plumbing in the Fire evacuation areas. This plan was developed late last night, yet all these volunteers showed up early this morning, ready to race against the coming freeze. The response from contractors and plumbers has been amazing!

Here is also a picture of the snow at my house in Granby around 3pm today.
