SUBJECT: CLCC RE-ENTRY NEWS .....URGENT\*\*\*\*\*URGENT\*\*\*\*\* URGENT  
DATE: November 1, 2020

All CLCC Owners,

I just received word from Dan Mayer, our point-of-contact liaison with GC Emergency that we can **anticipate** a public message tonight or early tomorrow morning announcing that CLCC and other communities west of HWY 34 will open for unrestricted re-entry tomorrow, November 2.

**According to Dan, announcement will state that RE-ENTRY ACCESS WILL BE OPEN TO EVERYONE STARTING MID-MORNING TOMORROW, NOVEMBER 2. The announcement will provide exact timing details or we will let you know when we know.**

Credentials or proof of ownership/residences WILL NOT be required.

We know the utility companies have been working on getting their grids up and running in CLCC. Status of utilities at each individual property is unknown at this point. We are trying to gather information as we speak and will pass on whatever we learn. We may not find out any details tonight so you must determine the status of your utilities at your property when on site. If you do not have any particular utility, DO NOT call or email the CLCC office. You need to call the utility company yourself and make your own arrangements for your property.

Mountain Parks Electric [\(970\) 887-3378](tel:9708873378)  
Excel Energy [\(970\) 262-4055](tel:9702624055)  
Columbine Water District [\(970\) 627-3683](tel:9706273683)  
3 Lakes Water and Sanitation [\(970\) 627-3544](tel:9706273544)

All CLCC owners must be cognizant of the dangers that still exist in the area and take necessary precautions. All owners are responsible for their own safety.

There is no guarantee the announcement will be exactly as explained above. We were just given advance notice to start preparing.
